

- Performance evaluation of energy-efficient multi/many core systems

Author information:

- (1) Paper preparation: Electronic paper submission should not exceed 6 double-column IEEE format pages, including figures and references. There is no blind review for this workshop; therefore, include authors names and affiliations. An abstract of up to 150 words must be included. Papers should be formatted as close as possible to the final format - double column, single-spaced, and Times or equivalent font of minimum, 10pt size. The acceptable format is PDF only. Any other file format and manuscripts received in hard-copy form will not be processed. Please use [IEEE Formats](#) for paper formatting. All invited manuscript will be reviewed for quality, technical contributions, and relevance to the scope of the workshop.
- (2) Paper submission: To submit your papers please access the [IGSC'17 submission portal](#) on EasyChair and select SiMS Workshop, then follow the submission steps.
- (3) Registration and Publication Requirements: The accepted invited papers shall be presented at the workshop and will be published in the official conference proceedings (through citable IEEE Digital Library—IEEE Xplore) contingent on two conditions: (1) The accepted invited paper must be registered at full conference rate at the time of the submission of the final manuscript and (2) One of the authors should appear to present the paper at the workshop. Please note that each accepted workshop paper will require a full IGSC registration at the IEEE member or at the non-member rate (NOT student rate). There is no separate workshop-only registration.

Submission Due: September 8, 2017

Notification of Acceptance: September 15, 2017

Camera-ready paper due: September 22, 2017

Workshop organizers:

Behrooz Shirazi, shirazi@wsu.edu, Washington State University

Shervin Hajiamini, shajiami@eecs.wsu.edu, Washington State University
